

## Make a stock gift to Live the Life with NCFSF

The National Christian Foundation (NCF) is the 6th largest charity in the USA, and offers flexible accounts for giving called donor-advised funds, or Giving Funds. A Giving Fund with NCF works like a charitable checking account, but instead of writing checks, you contribute all types of assets (cash, appreciated stocks, or non-cash assets), receive an immediate income tax deduction, the money can be invested for growth, and then you can recommend grants to your favorite charities.

## Give stock, save taxes, give *more*.

### Why give stock with NCFSF?

Through our partnership with the National Christian Foundation South Florida (NCFSF), you can use assets like stock and mutual funds to support our ministry. In return, you save taxes, give more, and have more cash on hand.

When you donate stock, you receive the charitable deduction; shares are sold by NCF tax-free, with proceeds going to our ministry; and you can re-fund your portfolio using cash (reset basis!); and use tax savings to give more! It's a win for us, and a win for you.

To make your transfer, please follow the instructions on the form provided for completing the Letter of Intent (LOI). When prompted, enter NCF Giving Fund Number "1302015" and NCF Giving Fund Name "The Live the Life South Florida Single Charity Fund." Once completed, submit the form to Lycet Corbo via email or physical mail.
